

20 January 1956

Mr. Roger W. Jones
Assistant Director
for Legislative Reference
Bureau of the Budget
Washington 25, D. C.

Dear Mr. Jones:

I refer to your letter of 29 December 1955, requesting the views of this Agency with respect to a draft Executive Order and a letter from the Department of State relating to the administration of certain mutual security and related functions.

These documents have been reviewed by the appropriate Offices within this Agency, and we have concluded that the arrangements proposed in the draft Executive Order will not affect the activities of this Agency in any way. The Central Intelligence Agency is interested in activities under the United States Escapee Program, and we feel confident that the liaison now established with this program can be carried on with continuing effectiveness under the arrangements proposed in the draft Executive Order.

Sincerely,
